

## **Child Protection & Safeguarding Policy: Appendix 4**

Linked to Part 6: 'Responding to and recording concerns' ([Safeguarding-Child-Protection-Policy-July-2024.pdf](#))

# **We take part in Operation Encompass**

Wray Common Primary School is enrolled onto the Operation Encompass scheme, a joint project between Surrey Police, Surrey Domestic Abuse Service and Surrey settings.

The system ensures that when the police are called to an incident of domestic abuse, where there are children in the household who have experienced a domestic incident, the police will inform the Designated Safeguarding Lead (DSL) in the school before the child or children arrive at the school the following day.

This scheme enables schools to ensure that appropriate support can be put in place, according to the wishes and needs of the child or children. Operation Encompass aims to secure better outcomes for children by alleviating the impact of the experience of domestic abuse through early intervention and support.
